NATIONAL CONFERENCE
ON E-LEARNING AND E-TECHNOLOGIES
PROSPECTS AND CHALLENGES — **20-21 FEB**

About the University

Maulana Azad National Urdu University (MANUU) is a central university established in the year 1998 by an Act of Indian Parliament, with all India Jurisdiction, to promote and develop Urdu language, impart vocational and the clinical education in Urdu medium through conventional and distance modes and focus on women education. The headquarter of the University is at a central location of Gachibowli in Hyderabad and spread over 200 acres. The university has been awarded 'A Grade' by NAAC in 2009 and again in 2016. Over the last twenty years, MANUU is working as a mission-driven University with a strong commitment to teaching, learning, research and innovation along with a special focus on women education to fulfill its statutory mandate. The University has a unique distinction of offering courses and programmes from elementary to higher education in general and professional, technical and vocational streams in particular in Urdu. It is catering to the educational needs of the large sections of unreached Urdu population of the society and delivering education through teaching, research, training and outreach activities with well established Schools, Departments, Centres and Satellite campuses.

About the Instructional Media Centre

To develop the media components as part of the media-mix of the Distance Education offerings, MANUU has established a full-fledged 'Instructional Media Centre (IMC) on its campus. IMC primarily serves the distance education needs of the University and Instructional Media Centre, MANUU Youtube channel is an initiative to provide the wider access of Higher Education to the un-reached, people desirous of pursuing programmes of higher education and training in Urdu medium through Distance modes.
