12th September 2020

Clarification regarding Downloading of Hall tickets
for Final Semester Examination September 2020

This is to inform all the Final Semester students of the University that Admit Cards for Final semester Online Examinations scheduled in September 2020 are generated and can be downloaded from the University iUMS Portal. In this regard following is clarified.

1. Those Hostellers, who are having any mess dues, are permitted to write the examination and their Admit Cards are being released subject to the condition that they will clear all dues before declaration of result and results will be withheld till dues are cleared.

2. As per UGC guidelines 100% attendance is given during the lockdown period. In case of those students who have not attended any class during the months of January, February and March 2020, as per the admission rules their admission stands cancelled. Hence their Admit cards are not generated.

3. All students who have not opted for appearing in the backlog papers while applying for examination are not permitted to write the said backlog papers' exams. Hence such backlog papers are not listed in their admit cards. However, these candidates are advised to inform the examination section about their remaining even semester backlog papers on or before 20th of September 2020 for further course of action.
