

F.No. MANUU/ER.I(B)/F.110/384

Dated: 24 May, 2019

NOTIFICATION

The Executive Council in its 74th Meeting held on 17.5.2019 (vide Resolution No. 74.4.7) considered the recommendations of the Academic Council (35th Meeting held on 16.5.2019) regarding review of the earlier decision of the Executive Council bifurcation of the Department of Management & Commerce under the School of Commerce & Business Management. The Executive Council noted that the School of the Commerce and Business Management with one Department namely the Department of Management & Commerce is one of the Schools listed under the Statute-39 and approved by the UGC/MHRD. The Executive Council in its 48th Meeting held on 2.7.2014 under item No. 48.4(3) in principle approved the bifurcation of the existing Department of Management and Commerce under the School of Commerce & Business Management into two Departments viz. Department of Management and Department of Commerce. The newly carved or bifurcated Department of Commerce started functioning w.e.f. 22.6.2015 after the appointment of a separate Head of the Department and no bifurcation between the two departments were made at that point of time. At the time of bifurcation, the School of Commerce & Business Management was having a sanctioned strength of nine teaching posts viz. Professor-1; Associate Professor-3 and Assistant Professor-6. Out of which 8 posts were filled at the time of bifurcation in July, 2014. As an interim measure, the Department is being managed by one Professor-Commerce, and one Assistant Professor-Commerce, from DDE along with two Guest teachers.

2. The EC also noted that at present three programmes viz. two year MBA (with 90 intake); M.Com (with 30 intake); and B.Com (with 40 intake) are being offered under the School of Commerce & Business Management through the two bifurcated Departments. The workload of M.Com and B.Com were earlier handled by the teachers who were on the rolls of the combined Department of Management & Commerce. The UGC so far did not sanction any post for the Department of Commerce citing the reasons that no post shall be given to new University Departments. The University has been finding it very difficult to cope up with the workload of the Department of Commerce without any sanctioned posts by the UGC even after four years of its bifurcation.

3. In the above circumstances, the Executive Council, after due deliberations and considering the matter in question, unanimously **resolved** to approve the recommendations of the Academic Council to merge back the two bifurcated teaching Departments viz. Department of Management and Department of Commerce into a single Department as Department of Management & Commerce (as per srl. No.4 of the listed Departments under Statute 39 of the Statutes of the University).

28/5/19

4. The Executive Council further resolved to authorize the Vice-Chancellor to appoint Programme Coordinators for each programme offered under the Department of Management & Commerce on the recommendations of the Dean, School of Commerce & Business Management, if required.

5. Accordingly, the two bifurcated teaching Departments viz. Department of Management and Department of Commerce is hereby merged back into a single Department as 'Department of Management & Commerce' with immediate effect.

6. Prof. N.I. Mulla is relieved from the charge of Head, Department of Commerce with immediate effect and he will continue on the rolls of the merged department till further orders.

7. Prof. Badiuddin Ahmed, Dean, School of Commerce & Business Management shall hold the charge of HoD, Department of Management & Commerce till further orders.
