Sub: Information related to Student's travel to their home states

This is to inform to all the students that DSW office has prepared the list of students interested to travel their home towns/places of residence during the nationwide lockdown. The student whose names does not appear in the list should not worry as they will also be included on the day of registration.

You are suggested to visit university website for all future information about all the updates and also may get in touch with office of DSW.
